Cooperation for the European Elections

the program

- The Proposal for a Common European Election Programme (CEEP). What it is, how it came to be and how we can use it.

the pledge

- A vow of good conduct for candidates. What does it say, and why it is important.

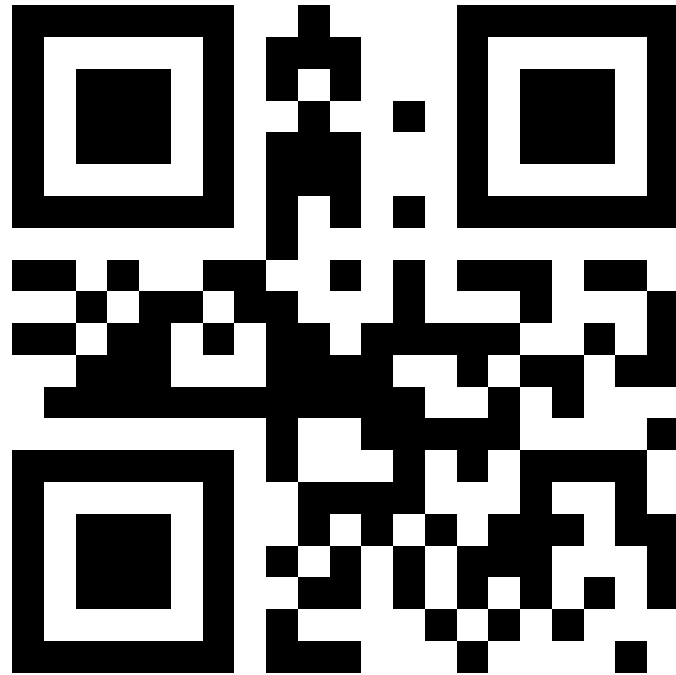

the event

- A big gathering of Pirates from all Europe in Brussels in the middle of the election campaign. Sounds good? It's coming.

the protest

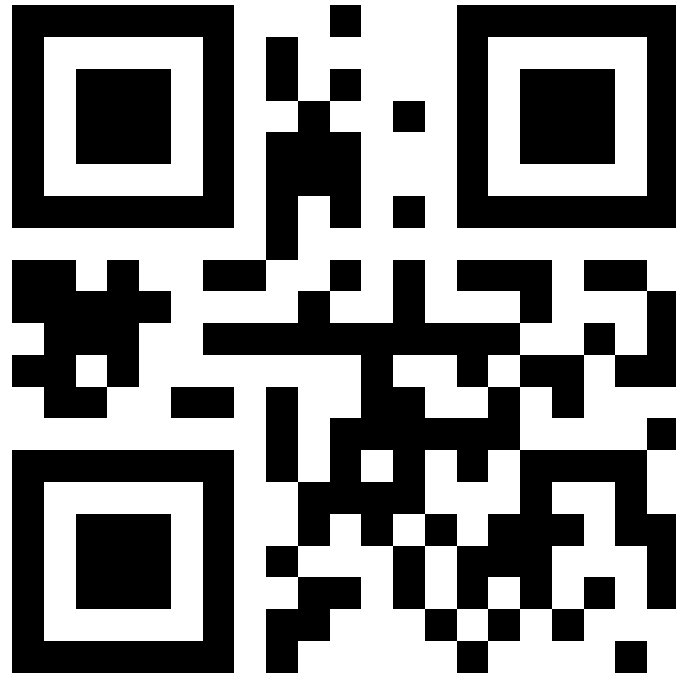

- TTIP is the new ACTA. An alliance is forming. We are part of it. We need everyone.
